ORDER DIRECTING PARTIES TO SUBMIT STATUS REPORT AND DOCUMENTS

This case has spent practically all of its ten-year life in state court. Yesterday, the Court issued an Order and Opinion denying Plaintiffs' Motion to Remand. Before establishing a schedule for the continued litigation, the Court needs to obtain information about the case and materials that have already been filed. To that end, on or before June 4, 2010, the parties shall confer and prepare a Status Report that lists the following information:

1. The orders of substance issued by the state court,¹
2. All pending motions and related suggestions or briefs,
3. All Answers to the Sixth Amended Petition that were filed in state court before the case was removed,
4. A jointly agreed statement describing the progress made in the case and the tasks that need to be accomplished, and
5. The latest scheduling order. If there is none, the parties shall submit a joint proposed scheduling order/discovery plan ("Proposed Plan") that complies with Local Rules 16.1(d), 16.1(f), 26.1(c) and 26.1(d).

¹The parties need not necessarily agree on which orders should be listed. If any party thinks an order should be brought to the Court's attention, it should be listed. The Court's desire is to generate one list.

In identifying items 1-3, the parties shall include the date of filing and the docket number from the state court's docket. The parties shall also supply, as exhibits, copies of the documents identified in the Status Report.

Finally, all parties who have not filed an Answer to the Sixth Amended Petition (in either state or federal court) shall do so on or before June 4, 2010. All parties who have not filed a statement identifying all parent companies, subsidiaries (except wholly owned subsidiaries) and affiliates that have issued shares to the public as required by Local Rule 3.1 shall do so by May 12, 2010.

IT IS SO ORDERED.

DATE: April 28, 2010
